BRIGHTEN A SENIOR'S HOLIDAY...

There are over 2500 seniors living in Orange and Seminole county who may not receive a gift this holiday season. **Please help** Seniors First by choosing a gift tag below and filling a wallet for a senior. Donated wallet gifts will be most appreciated by our clients no matter what special needs they have. These gifts will bring the spirit of the holiday season to our elderly clients who otherwise may not be remembered during the holidays.
